Mr. Clarence Phillips

You made us look at ourselves and the world around us, then strive for improvement. For this you have our sincere appreciation.

Within these pages are a lot of the times
 spent at C.H.S. this year.
 Not just mine; or just yours,
 but our times.
 A lot that we'll always remember,
 and some we'd like to forget;
 But good and bad,
 these were the times of '76.

Administration

"Ours is the only country deliberately
founded on a good idea."

John Gunther

Mr. Kenneth M. Smith
Principal

This bicentennial year reminds us of our heritage - the qualities and ideals on which our country was founded. We hope that your experiences at C.H.S. have strengthened and encouraged qualities that will promote happiness and satisfaction in the years that follow.

Kenneth M. Smith

The principal's life is a busy life - meeting, conferring, planning, yet Mr. Smith always has time to listen to us. We appreciate this and say thank you.

A black and white photograph of the U.S. Capitol building in Washington, D.C. The image shows the iconic neoclassical architecture, including the large portico with columns and the dome in the background. The building is viewed from a low angle, emphasizing its grandeur. The sky is clear with some light clouds.
